8 This is a matter for orders of Govt — as it simply means the selection of an officer for a place already sanctioned and of another officer to fill up his place. The point noticed by the Hon'ble Member before promising to confirm Mr Rangachar as Chief Supt of Police as soon as he passes the Govt of India Exam, the claims of Mr K. R. Krishnaswami Iyengar who is only a temporary Ch. Supt of Police should be considered, requires consideration

In the order of 9th July 1914 it was taken for granted that the proposal of the Comptroller was merely to depute one of the existing officers for training in Open Line Accounts. The Comptroller's letter was not quite explicit as to whether an additional officer was deemed necessary.

10) The present letter of the Comptroller makes it quite clear that the addition of one officer to the sanctioned scale for this purpose is necessary.

Council matter.

11) In view of the rapid expansion of railways contemplated, the proposal deserves favourable consideration.

These papers relate to the proposals of the Comptroller in regard to the appointment of a separate officer for the Open Line Section of the Public Works and Railway Branch of his office.

2. In Government Order No. Fl. 99-101/G.F. 171-13-2 dated 9th July 1914, the Comptroller's recommendation to select an officer for undergoing training in Railway Accounts work and specialising in Open Line Accounts was sanctioned, and he was requested to submit proposals regarding the officer to be selected along with other necessary details. The Comptroller's reference did not clearly specify whether an additional officer was required for this work and in passing that order it was taken for granted that the proposal of the Comptroller was merely to depute one of the existing officers for the training referred to and that he did not require an additional officer.

Paper under disposal.

3. In his letter No. 571/E.145 dated 27th July 1914, submitting the proposals called for, the Comptroller makes it clear that he requires an additional officer.

4. The question was considered in Council who are of opinion that "a separate officer of the Assistant Comptroller's rank may be appointed for the Open Line Section. To be temporary for the present."

M. 19/11/14. 2) In G.O. dated 9.9.'14 Govt sanctioned the proposal to train an officer in Ry accounts particularly of open lines for one year, and wanted Compr to submit proposals regarding the officer to be selected.

2) The Compr assumed that an Extra office of the rank of asst Compr was permanently sanctioned & submitted proposals to ~~appt~~ ~~de~~ deputt appoint Mr Krishnaswami Rau in this place, to attach him for the present to the P.W. & Ry. 3) As Govt felt a doubt if the order of 9.9.'14 really sanctioned one Extra officer and if it did not really only allow one of the Existing officers being trained for open line work, the matter ~~has subd~~ has been discussed and it has been decided that ~~what~~ an Extra officer of asst Compr's rank should be given to Compr but only

26 ~~Decision~~ It is not clear if it is necessary to send any reply to the Compr at present, as proposed by him until we are prepared to say something specific about his recommendations regarding the appointments of Messrs Krishnasami Rao & Rangachar. It would I think be better if the Govt passed some orders on these points also and when this is done all the decisions of the Govt would be included in one letter or order to Compr.

27 The Compr's recommendations are based on an assumption which the Govt have practically accepted and I do not think that because of the new appt Compr's place is styled temporary instead of permanent the Compr's recommendations would require any modifications and an order merely laying at rest a doubt-ful point but not as Compr does not seem to be necessary.

MYSORE PUBLIC WORKS DEPARTMENT,

Central Office of Accounts,

Dated Bangalore, the 24th October 1914.

My dear Sir,

In their order No.Fl.99-101/G.F.171-13-2 dated the 9th July 1914, Government sanctioned my recommendation to appoint a Gazetted Officer for being trained in the Railway Open Line accounts and invited my proposals regarding the officer to be selected and the arrangements for training him. These proposals were submitted in July last and orders of Government have not yet been passed on them.

There are three lines now open - Bowringpet-Kolar Railway, one Section of the Tarikere-Vedahalli Tramway and one Section of the Bangalore-Chickballapur Light Railway. Some sections of the Mysore-Arsikere line may be opened for traffic in the near future as construction and equipment of the Sections are completed. The Open Line work is on the increase and it is necessary to provide the necessary staff for doing it. The present Gazetted Staff of the Public Works and Railway Branch, namely three officers including one temporary officer is purely for Public Works,

Electrical and Railway Construction Accounts, the temporary Gazetted Officer - a Chief Superintendent being sanctioned by Government in view of the large Railway Construction and the Cauvery Reservoir Works now in progress. The Open Line work is altogether new and unprovided for. The several departments of the Open Line Administration are now being organised and trained officers for the Traffic, Loco and Stores have already been appointed. For the Audit Department of the Railway, as stated in my official letter No.571/E.145 dated 27th July 1914, I do not propose to borrow the services of an officer from outside. But the entertainment of an additional local officer is absolutely necessary so that he may be trained as early as possible for this work. As it takes time for the selected officer to get experience in his work and pass the necessary examination, very early orders on my proposals are solicited. The requirements of audit (including ticket and form printing, collecting all receipts and making all payments) on an Open Line are not less important and urgent than those of Traffic, Loco or Stores. But while these branches have all been given trained imported officers to begin with, my request for a local

officer to be trained has not yet received favourable consideration. I beg therefore that very early orders may be passed on the subject so that efficient audit of the Open Lines may be arranged and loss of Government money avoided.

Yours sincerely,

Chakravarthi
